We are often asked 'how can we help?' There are many ways you can help: donate items from our wish list, volunteer, become a board member or join a committee and spread the word about the importance of spaying and neutering your pets! But there is a new way ... have you considered 'going green'? Going green means you would no longer receive a paper newsletter by mail, but an electronic version by email. If you're interested, please complete the form below or visit odchs.com/newsletters and sign up to "Go Green"
