Volunteers are great!

Ashlee taking Ms. Debbie back to the shelter

Bingo is coming!

The ODCHS is blessed to have had and have many amazing volunteers. Some, being military, have come and gone. Some, like Debbie Mullen, are still faithfully giving their love and time to our orphans. Debbie has been with us almost one and a half years now. When she first started with us she claimed to be a 'cat person.' She has evolved into being an all around animal person. She walks and socializes all of our dogs, large and small. She has adopted three of them. She comes out to help several days a week and has learned the ins and outs of our little operation to the point of being a most important part of it. She is also a Board Member and our Secretary. We appreciate her more than words can say, as we do all of our volunteers.
