

It turned out better than we had hoped. Thanks to all who donated to the 'Raise the Roof' campaign to cover the front kennels. As with any project, it was a process that involved some pre-construction work.

Volunteers Steve and Michael pitched in to get things ready. It has made conditions so much better. Having shade has made a notable improvement, not to mention it is keeping them dry. AND... it looks so nice! You stepped up and it is so appreciated!

We and the critters couldn't be happier with the result!

ODCHS supporters are the best!
