

**Be a Super Hero!** Successful adoptions

allow the shelter to take in more abandoned animals. With this intake, the amount spent on health care, vaccinations, and spay/neuters, and general care increases. Along with these costs, the shelter is responsible for the general operating costs (electricity, water, etc.) The **only** source of income is our supporters through donations and fundraisers. Partner with us on the mission to give these deserving cats and dogs a second chance at a life in a loving home. Now, you can also donate on Facebook: Just go the **Ozark-Dale County Humane Society Facebook page and click the donate button!**

Your donations are vital to the sustainability of the shelter.

Without your support, there is no shelter. **THANK YOU!**
